Vision

Improving all people's lives through the transforming power of chemistry

Mission

Advancing the broader chemistry enterprise and its practitioners for the benefit of Earth and all its people

Core Values

- Passion for Chemistry and the Global Chemistry Enterprise
- Focus on Members
- Professionalism, Safety, and Ethics
- Diversity, Equity, Inclusion, and Respect (DEIR)

Goals

Goal 1: Provide Information Solutions

Deliver indispensable chemistry-related information solutions to address global challenges and other issues facing the world's scientific community.

Goal 2: Empower Members and Member Communities

Provide access to opportunities, resources, skills training, and networks to empower our global members and diverse member communities to thrive.

Goal 3: Support Excellence in Education

Foster the development of innovative, relevant, inclusive, and effective chemistry and chemistry-related education.

Goal 4: Communicate Chemistry's Value

Communicate — to the public and to policymakers — the vital role of chemical professionals and chemistry in addressing the world's challenges.

Goal 5: Embrace and Advance Inclusion in Chemistry

Promote diversity, equity, inclusion, and respect; identify and dismantle barriers to success; and create a welcoming and supportive environment so that all ACS members, employees, and volunteers can thrive.
