ACS Bridge Program

Increase PhD's Awarded

Improve access and culture of graduate education

Promote Successful program components

Provide professional and career development opportunities

Group picture from 2022 CKS at ACS HQ in Washington, DC

“Being a part of the ACS Bridge program has benefited me in several ways. I was able to pursue fully independent, fascinating research at a top institution, but even more importantly, I was exposed to a number of opportunities (such as conferences, career events, etc.) I never would have known about otherwise. The best thing about Bridge in my opinion, are the people at ACS who have worked to make it happen. Their dedication to helping me develop professionally and supporting me in good or bad times I will forever be grateful for.”

Hanin Sarhan, Bridge Fellow at Indiana University

American Chemical Society

Personal Career Consultations

Jim Tung
Marketing
Lacamas Laboratories
B.S. Biochemistry, University of Oregon
Ph.D. Organic Chemistry, University of Notre Dame

Jim Tung works at Lacamas Laboratories in Portland, OR, currently as a business development manager. He has been with Lacamas for 10 years, working on developing new chemical manufacturing projects. Before that, he was a career research chemist at Clitor Research in Chesham, IL performing full-scale organic chemistry.

An Oregon native, Jim got his B.S. in Biochemistry from the University of Oregon, his Ph.D. in organic chemistry from the University of Notre Dame, with postdoctoral experience at Pfizer's laboratories in La Jolla, CA. He is past chair of the Portland Section of the American Chemical Society and was 2019 general co-chair of NCRM 2019. He has interests in process chemistry, labor economics, social media outreach and encouraging career exploration and development for younger chemists.

Diversity, Equity, Inclusion, and Respect

**Adapted from definitions from the Ford Foundation Center for Social Justice:

Equity**

Seeks to ensure fair treatment, equality of opportunity, and fairness in access to information and resources for all. We believe this is only possible in an environment built on respect and dignity. Equity requires the identification and elimination of barriers that have prevented the full participation of some groups.

Diversity**

The representation of varied identities and differences (race, ethnicity, gender, disability, sexual orientation, gender identity, national origin, tribe, caste, socio-economic status, thinking and communication styles, etc.), collectively and as individuals. ACS seeks to proactively engage, understand, and draw on a variety of perspectives.

Inclusion**

Builds a culture of belonging by actively inviting the contribution and participation of all people. Every person's voice adds value, and ACS strives to create balance in the face of power differences. In addition, no one person can or should be called upon to represent an entire community.

Respect

Ensures that each person is treated with professionalism, integrity, and ethics underpinning all interpersonal interactions.

26

26

Meet Today's Speakers

Michelle Rivard

R&D/TS&D Technologist, The Dow Chemical Company

CTA Stakeholder Outreach Subcommittee chair, National Chemical Technician Award Recipient, and ACS Fellow

Matthew Russell

Sr. R&D Technologist, Corteva Agriscience

CTA Awards and Recognition Subcommittee member, National Chemical Technician Award Recipient

Erin Dotlich

Operational Excellence Associate Director, Eli Lilly and Company

Chair, ACS CTA Chair

Daniel Fonseca

Lead TS&D Specialist, The Dow Chemical Company

CTA Professional Development Subcommittee Chair

27

27

CTA Strategy

Vision

The Advocate and Essential Resource
for Chemical Technical Professionals

Mission

Support, Advance, and Recognize
the Chemical Technical Professional

<https://www.acs.org/content/acs/en/about/governance/committees/technician.html>

28

28

What is a Chemical Technical Professional?

Titles like...but not limited to

Technician
Technologist
Specialist
Analyst
Associate
Chemist (non-research lead or non-lead chemist)

Job functions like...but not limited to

Bench support work/bench chemist
Quality control testing
Equipment support work
Support roles in chemistry
Contract functions
Non-PhD chemist support roles

Degrees typically...

Associates
Bachelors
HS degrees with heavy lab experience
Non-PhD

29

29

Goals

Identify Stakeholders

We are here for them

Professional Development / Programming for Stakeholders

Highlight and recognize stakeholders

External Communication (newsletter, C&E, Business Cards, reports)

Educate/help stakeholders justify:

Membership
Meeting attendance

30

30

Subcommittees

Professional Development

Increase professional development resources for CTPs.

- Webinars
- Symposium
- Programming
- Panels
- Highlight resources

Stakeholder Outreach

Identify stakeholders and needs. Improve outreach within CTA, ACS, and outside ACS.

- Demographic Data
- Social media
- Branding campaign
- News/Articles
- Awards symposium

Awards & Recognition

Highlight CTP accomplishments through awards, and grants.

- NCTA
- ChemLuminary
- Local Section grant
- Leadership course

31

31

National Chemical Technician Award

Honors excellence and professionalism among technicians, operators, analysts or other chemical technology professionals.

Eligibility

Employed for 5 years in the field
Does not need to be ACS member
Non-PhD, support role in chemistry

Nomination

Nomination form
One letter of recommendation

Deadline

End of September

Criteria

Technical achievements
Leadership/mentoring
Communications/publications
Awards
Community
Contributions to safety/quality/other

Winner Receives

\$1000
Plaque
Honorary luncheon
Travel expenses paid for winner

32

32

Leadership Development System Course Award

Covers the cost of taking an ACS Leadership Development Course during the National Meeting. Registration for the National Meeting is required for Leadership Courses.

33

33

Audience Survey Question

ANSWER THE QUESTION ON THE INTERACTIVE SCREEN IN ONE MOMENT

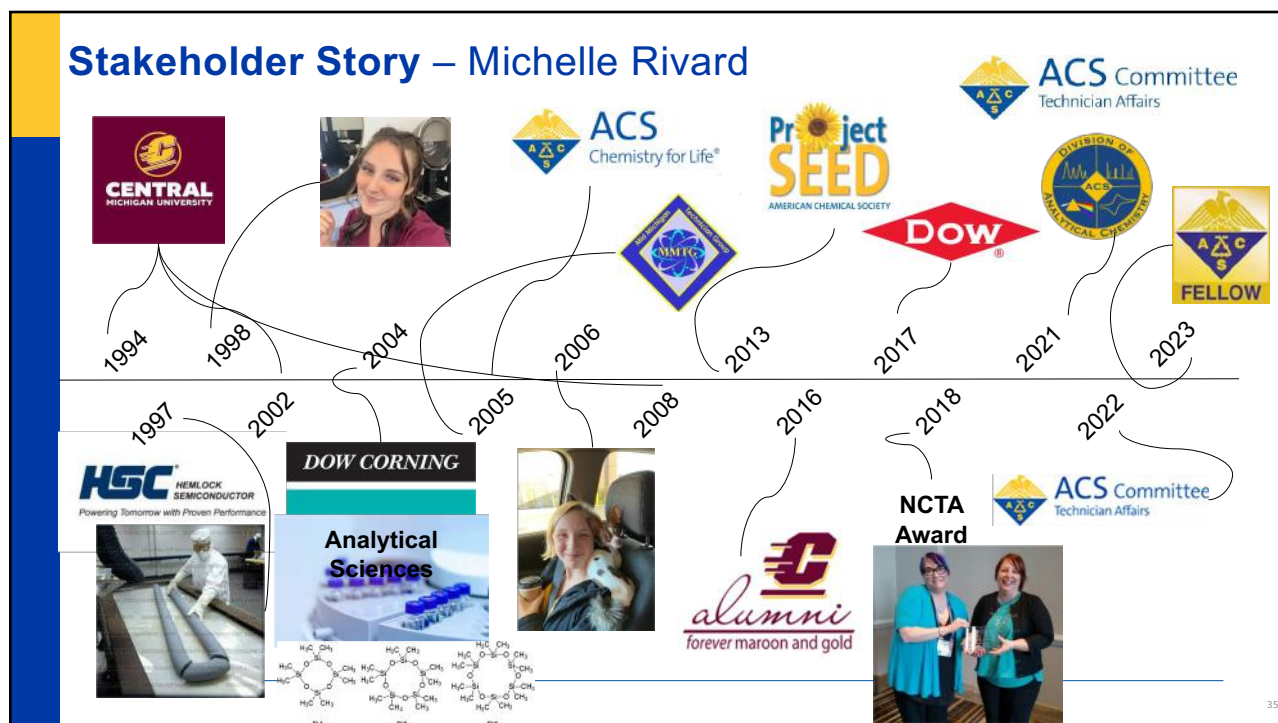

Which of these symposia would you most like to see developed by the CTA?

- Symposium on daily lab operations (routine operations)
- Symposium on complex technical study work composed by a CTP
- Symposium on operational excellence principles
- Symposium on unique CTP roles (ie. Non-lab function)

* If your answer is "Other" tell us in the questions window!

34

34

35

Stakeholder Benefits – Michelle Rivard

How have I benefited from CTA & ACS?
How has my employer benefited?

- Networking and Learning
- Skill Development
- Brand Visibility
- Recruitment and Retention
- Innovation and Collaboration
- Thought Leadership

ACS Committee Technician Affairs

Michelle Rivard
Senior Research and Development Technologist

Dow

“““

I like to think that my love of chemistry is infectious, and nothing brings me greater joy than translating that passion into real impact at Dow and in the local community. For me, being a chemist isn't just a 'day job.' When I'm not in the lab, I love to be an advocate for chemical technology to the next generation.

Michelle Rivard
Senior Research and Development Technologist

Dow

“““

Michelle has a proven track record of exceptional leadership and technical expertise. We are pleased she has been recognized by ACS and congratulate her on this accomplishment.

A.N. Sreeram
Senior Vice President, R&D, and Chief Technology Officer

Dow

36

36

Audience Survey Question

ANSWER THE QUESTION ON THE INTERACTIVE SCREEN IN ONE MOMENT

Which of these panels would you most like to see developed by the CTA?

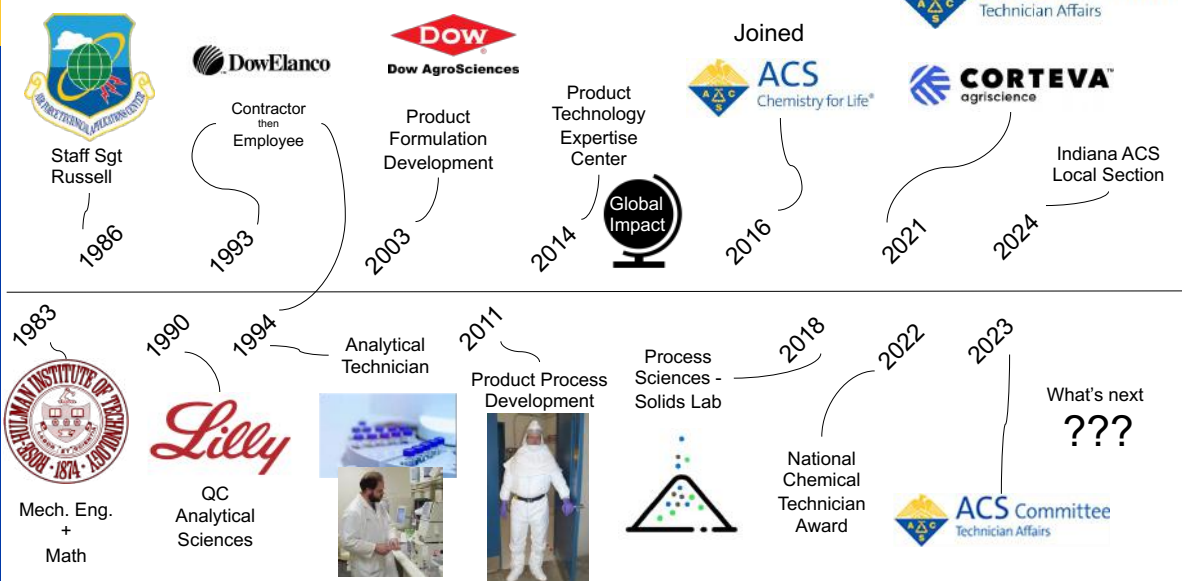

- Panel highlighting paths from CTP/support path to management or research scientist path career
- Panel of CTP Management/Supervision
- Panel featuring experienced (senior) career CTPs
- Panel on unique CTP roles (ie. Non-lab function)

* If your answer is "Other" tell us in the questions window!

37

37

Stakeholder Story – Matthew Russell

38

38

Stakeholder Benefits – Matthew Russell

Personal benefit from ACS involvement?

- Exposure to ideas and relationships industry-wide
- Opportunity to learn, grow career, and present work

Professional benefit from CTA committee membership?

- Promote the career growth and opportunities for fellow CTPs
- Contribute on a national level for recognition of CTPs

Employer benefit from my ACS membership?

- An employee who is engaged and involved beyond the organization
- Organizational recognition as supporting ACS values and programs

39

39

Audience Survey Question

ANSWER THE QUESTION ON THE INTERACTIVE SCREEN IN ONE MOMENT

Which of these webinars or materials would you most like to see developed by the CTA?

- Creating a career map and corresponding development plan
- Managing crucial conversations
- The art of clear, concise conversations
- The dos and do nots of 1:1s

* If your answer is "Other" tell us in the questions window!
