NOW OPEN: Online Preference Form for Committee Assignments in 2025

It is time to begin the process of making appointments to ACS Council-related committees for 2025. If you are interested in serving on an ACS Committee, the [online committee preference form](#) for committee assignments is the key way to let us know your committee preferences, your background and your interests.

The [online preference form](#) will be open until July 1, 2024. As a reminder, your ACS membership must be in good standing to complete your committee preferences.

If you experience any problems or need assistance, please contact the Office of the Secretary at secretary@acs.org.

Learn New Skills and Gain Confidence Through the ACS Institute

Are you looking to advance your career? The ACS Institute offers a collection of learning and training resources to help you get where you need to go. Next month, you can attend our Online Live courses, including [HPLC and UHPLC for Practicing Scientists 2: Best Practices in Method Development and Operation/Troubleshooting](#), [Regulatory Toxicology for Chemists](#), and [Chemistry for Non-Chemists: The Basics, Function and Language of Chemistry](#). Looking for more hands-on experiences? Check out [Polymeric Materials for Additive Manufacturing](#) in Blacksburg, VA or [LG/GC Bootcamp-Hands-On Chromatography Master Class](#) in Chicago, IL!
