## MORE FROM ACS

### TODAY from ACS Webinars – The Ins and Outs of Networking

Thursday, October 5th, 2023 | 2pm - 3pm ET

#### The “Ins and Outs” of Networking

Co-produced with the ACS Younger Chemists Committee and ACS Division of Professional Relations

Your professional network is critical for your development and success as it creates future opportunities and strengthens your influence within your organization. Sounds like a great idea in theory, but how do you make it a reality at your current workplace? Tune into an ACS Webinar TODAY and learn the “Ins and Outs” of Networking.

### Help Shape the Future of ACS

Your feedback is critical to help us understand the impact of our brand and how we can continue to serve you better into the future. Please take a moment to share your feedback about ACS in this short 5-10 minute survey.

As a token of our gratitude, donations will be made on behalf of participants to support diversity in chemistry. [Take the survey here.](#)

### Advance your professional career with LinkedIn Learning

Are you interested in improving your professional and career growth? Good news! ACS has teamed up with [LinkedIn Learning](#) to offer [eligible ACS members](#) free access to a wide range of business, technology, and creative courses. Those who have a Premium Package membership can access thousands of expert-led courses on LinkedIn for free. Take control of your professional development and enhance your skills!

### Join the ACS Speaker Directory!

Are you looking to share your passion for chemistry, gain visibility and grow your professional network? If so, the ACS Speaker Directory is for you. This valuable resource provides our component group leaders with access to a wide range of speakers for their in-person, hybrid, and asynchronous events. Visit the [ACS Speaker Directory](#) to learn more and create your speaker profile today.
